

Hello

Thank you for taking a few moments to read this letter.

We would like to introduce ourselves. For over 25 years we have been providing *comprehensive family & cosmetic dentistry*. What sets us apart and why should you consider us for your dental office?

- First and foremost, we are into *excellence* and *detail* which allows us to provide our patients with thorough beautiful long lasting dentistry.
- We are *service oriented*. Your comfort and needs are very important to us. We pride ourselves on listening to specifically what you want.
- Just as you are not an average patient, we are not an average office. We strive to exceed your expectations in everything we do.
- We provide full service comprehensive dentistry, meaning we don't have to refer you to different specialists for complicated treatment. Some of the services we provide are children's dentistry, orthodontics, periodontal surgery (gum), implants, dentures, partial dentures, crowns, bridges, inlays, onlays, full mouth reconstruction and cosmetic dentistry. Our one hour whitening systems include *Zoom*.
- We use *state of the art* materials, equipment and technology.
- We recently remodeled our modern facility to prepare us for the next 5 years of new technology.
- We are very well known for our cosmetic dentistry and many of our patients state we have not only made their smiles beautiful, we have *changed their lives!*
- Our commitment to continue to educate ourselves (continuing education). We seek the best courses available to provide our patients cutting edge technology.
- We offer a dental experience that is *unparalleled*. Our patients comment on how fast and thorough we are. Our patients are always treated in a comfortable, friendly, family atmosphere.
- We treat you with compassion, dignity, integrity and respect.
- We have the best support staff in the southwest.

Dr. Garcia is a graduate of Tufts University in Boston. His in-depth training in all phases of cosmetic, reconstructive, and family dentistry have brought patients seeking his talents and expertise from as far off as Ireland, Switzerland, Yugoslavia, Spain, Canada, New York, Louisiana, Connecticut, and even Santa Fe and Taos just to name a few. We state this to emphasize that Dr. Garcia's patients have great confidence and trust in him. Dr. Garcia takes great pride in our commitment to provide excellence, service and treatment that is cosmetically pleasing and sound. Long term function is the ultimate goal. All of this is done and tailored to your specific needs.

We are currently accepting new patients. If you are ready for the best dental experience of your life, give us a call, you'll be glad you did!

*Committed to Excellence,*

  
Roderick A. Garcia, DMD
